

i-mate™
for Business, for Pleasure, for Life

i-mate™ JAMin

i-mate™, the specialists in Microsoft® Windows Mobile™ devices and applications announce the launch of their most compact Windows Mobile™ 5.0 based Pocket PC, the i-mate™ JAMin. Leveraging off what has been an undeniable recipe for success for i-mate™, the i-mate JAMin comes in the same compact form factor as the award winning i-mate JAM but houses significant improvements including Quad-band GPRS/EDGE ca-

MSN® Messenger, Word Mobile™, Excel® Mobile, Powerpoint® Mobile & Clear View PDF viewer.

Speaking at the launch, Jim Morrison, CEO of i-mate said: "The i-mate™ JAMin is the latest version of our popular i-mate™ JAM model. We have taken into consideration the requirements of our clientele which includes the global traveler who is constantly looking for mobile devices to deliver on speedy connectivity and using the device with one hand. The new i-mate™ JAMin delivers on all these fronts, proving to be a true world mobile device.

"Enabling you to capture all those special moments while on the move, i-mate JAMin boasts a 2.0 mega pixel built in camera. The camera comes with macro mode enabling close-up shots

pability, lightning-fast Wi-Fi built in, a 2.0 mega pixel camera, and all the latest Windows Mobile™ 5.0 tools.

The i-mate™ JAMin boasts a minimalist streamline design with non slip black casing for extra grip and enhanced keypad design for complete one-handed navigation. It comes with a built in MP3 Player, Voice Recorder and Speakerphone as well as Computer Associates® eTrust Antivirus software, and a global warranty.

Perfect for today's jet set business executive, the device allows

you to have the world at your fingertips offering seamless quad-band GSM connectivity along with GPRS, EDGE, Bluetooth® and Wi-Fi 802.11 b/g capability. Whilst on the go, the i-mate™ JAMin allows users to access much of the same information on their desktop PCs including emails and the Internet as well as important documents. It

has a superior quality touch sensitive 64k transfective LCD screen and a full range of applications including Windows Media® Player, Internet Explorer,

of smaller objects. The device also doubles up as a camcorder and lets you operate MMS with video clip support. To help save more pictures the memory of the device can also be expanded through its SDIO/MMC card slot.

The elite web portal exclusively for i-mate™ owners, www.clubimate.com, provides 24/7 technical advice, support and value added services such as free hosted Microsoft® Exchange e-mail, exclusive i-mate™ interactive games and upgrade patches for download.
